MEYER BROTHERS & SONS TURKEY TROT

TWELVE YEARS AGO

The Turkey Trot started as a “neighborhood jog” with 30 runners and the dream of becoming an annual tradition.

TODAY

The race is growing and so is our opportunity to have an incredible impact on our community!

Our Turkey Trot is so much more than just a race as we continue to support local youth organizations, including **Young Lives**, a faith-based organization caring for adolescent moms and their children – offering both a supportive and encouraging community.

This year, we established our very own nonprofit organization, **Main Street Movement**. This step allows us to grow with the race, expand our reach, and build something sustainable for the long term.

“A couple friends and I participated in our FIRST Hamilton Turkey Trot event this year. We loved it!! The many years of experience in the planning and the implementation of this huge, joyful event in downtown Hamilton were clearly evident!

Everything was organized, ready, clean, and welcoming. Staffers and volunteers were everywhere. They were helpful and happy. This type of environment and the attitudes of the staff are contagious to the thousands who come to participate. What an upbeat morning!”

“Thank you guys for putting on such a great event. I had a lot of fun and I also really appreciated the snacks afterwards. I didn’t even know they were gonna be there so it was a nice surprise.
